

Maldives National Skills Development Authority

National Competency Standard for Laundry Operations

Standard Code: TOU-10L3-V2-24

Qualification Name: National Certificate III in Laundry Operations

FOREWORD

The pivotal role of the Maldives National Skills Development Authority (MNSDA) in meticulously implementing and expanding Technical and Vocational Education & Training (TVET) exemplifies the steadfast commitment of the Maldives to build a skilled and resilient workforce. This commitment is evident from the strategic formulation of National Standards and the establishment of a comprehensive framework for training and certification.

Under the Higher Education and Training Act 7/2021, the MNSDA assumes an instrumental role, reflecting the government's unwavering dedication to streamlining TVET policies and procedures. This includes the establishment of a robust system for accrediting and registering both Institution Based Training (IBT) and Employer Based Training (EBT) providers. The MNSDA's active involvement in conducting the National Apprenticeship Program (NAP), National Trade Testing and Certification (NTTC), and the issuance of National Certificates reflects a comprehensive approach to ensure elevated quality standards and competency within the workforce.

The National Competency Standards (NCS) revised through the Maldives Enhancing Employability and Resilience of Youth (MEERY) project accentuates the commitment to updating and sustaining contemporary skill sets aligned precisely with industry demands. Deliberate efforts to revise existing NCS, coupled with the development of curriculum, teaching materials, resource books, and logbooks, attest to our dedication to ensuring the ongoing relevance and currency of the TVET system in the Maldives.

The active engagement of Technical Panels and Employment Sector Councils in the NCS development and approval process, coupled with alignment to the Maldives National Qualification Framework (MNQF) and accreditation by the Maldives Qualifications Authority (MQA), certifies that the TVET system not only remains highly responsive but also ensures the quality standards demanded by industries. This approach enables the system to effectively meet the diverse needs of industries and adapt to the evolving economic landscape.

The collaborative development of the National Certificate III in Laundry Operations by the MNSDA, MEERY, and the Maldives Institute of Technology exemplifies the practical implementation of TVET initiatives. This training package represents a critical stride towards addressing the requisite skills while fostering opportunities to integrate sustainable economic development within the TVET framework.

Dr. Zahra Mohamed

Chief Executive Officer

Maldives National Skills Development Authority

EMPLOYMENT SECTOR COUNCILS

#	Name	Designation	Organisation
01	Ali Adam	HR Consultant	Maldives Association of Tourism Industry
02	Yazeedh Mohamed Fulhu	Apprenticeship and Talent Acquisition Manager	Four Seasons Resort Maldives
03	Zeenath Solih	Dean	Faculty of Hospitality and Tourism Studies

Standard Review Process

To begin with Laundry Operations occupation competencies were profiled through study of the occupations across the Maldivian workplaces aligned to the principles of "Functional Analysis", a methodology used for reviewing Competency Standards. Referred occupational profiling process compared existing competency units incorporated within the National Competency Standard of Level III in Laundry Operations program.

Draft Review of the occupational standard is then compiled and submitted to the Technical Panel (TP) organised by the Maldives National Skills Development Authority (MNSDA). The Draft Standard is then edited based on comments from TP members under the direct observation of MNSDA. With series of reviewing and editings, TP approved standard is then tabled at Employment Sector Council (ESC) meeting for endorsement.

All the Standards of MNSDA are endorsed from the ESC before being published on its website.

Description of “Laundry Operations”

The National Certificate III in Laundry Operations is a designed program designed to impart foundational skills and knowledge in the specialised field of Laundry Operations. This course is intricately structured to provide individuals with essential competencies required for proficient laundry operations.

The certification serves as an entry point for individuals entering the construction industry, offering a solid foundation in the fundamental skills required for success in laundry operations.

Recommended changes to the existing National Certificate III in Laundry Operations

The changes proposed by the Technical Panel (TP) for the National Certificate III in Laundry Operations Standard aim to synchronise the curriculum with contemporary industry benchmarks. These revisions are intended to ensure that the program aligns seamlessly with current standards and practices prevalent within the industry.

Job opportunities upon completion of “National Certificate III in Laundry Operations”

Upon successful completion of the National certificate III in Laundry Operations, students can work in the following jobs.

1. *Laundry Technician*

KEY FOR CODING

Coding Competency Standards and Related Materials

DESCRIPTION	REPRESENTED BY
Industry Sector as per ESC (Three letters)	Construction Sector (CON) Fisheries and Bar Bending (FNA) Information, Communication and Technology (ICT) Transport Sector (TRN) Tourism Sector(TOU) Social Sector (SOC) Foundation (FOU)
Standard Number - Occupation with in an industry sector	Two digits 01-99
Common Competency	CM
Core Competency	CC
Unit Number - Occupation with in an Standard	Three digits 01-99
MNQF level of qualification	L1, L2, L3, L4 etc.
Version Number	V1, V2 etc.
Separator	-
Year of Last Review of standard, qualification	Two digits responding to the year of last review, example 23 for the year 2023
Qualification Code	Refers to Standard code in cover page

1. Endorsement Application for Qualification 01		
2. NATIONAL CERTIFICATE III IN LAUNDRY OPERATIONS		
3. Qualification code: TOU-10L3-V2-24		Total Number of Credits: 68
4. Purpose of the qualification The purpose of the qualification for Laundry Operations is to equip individuals with the necessary knowledge, skills, and competencies to effectively carry out laundry-related tasks in various settings. This qualification aims to ensure that individuals can perform laundry operations efficiently, safely, and in compliance with industry standards and regulations.		
5. Regulations for the qualification		National Certificate III in the occupation of Laundry Operations will be awarded to those who are competent in units 1+2+3+4+5+6+7+8+9+10+11+12+13+14+15+16+17+18
6. Schedule of Units		
Unit No.	Unit Title	Code
Common Competencies		
01	Apply occupational health and safety requirements	TOU-05-CM01-V4-24
02	Apply work ethics and optimise professionalism	TOU-02-CM02-V4-24
03	Practice effective workplace communication	TOU-02-CM03-V4-24
04	Provide effective customer care	TOU-03-CM02-V2-24
05	Perform computer operations	TOU-02-CM05-V4-24
06	Respond to emergency situations	TOU-01-CM05-V1-24
Core Competencies		
07	Understand laundry operations	TOU-10-CC01-V2-24
08	Manage infection control in laundry operations	TOU-10-CC02-V2-24
09	Conduct safe handling of laundry chemicals	TOU-10-CC03-V2-24
10	Perform stain removal	TOU-10-CC04-V2-24
11	Identify and manage textile care	TOU-10-CC05-V2-24
12	Receive and sort articles	TOU-10-CC06-V2-24
13	Operate washing and drying equipment and machineries	TOU-10-CC07-V2-24
14	Perform ironing and pressing	TOU-10-CC08-V2-24
15	Launder guest clothes	TOU-10-CC09-V2-24
16	Maintain a product inventory	TOU-10-CC10-V2-24
17	Finish products for dispatch	TOU-10-CC11-V2-24
18	Clean premises and equipment	TOU-10-CC12-V2-24

7. Accreditation requirements	The training provider should have a workshop or similar training facility to provide the trainees the hands-on experience related to this qualification and 120 hours of industrial experience.
8. Recommended sequencing of units	As appearing under the section 06

Unit Details

Unit No.	Unit Title	Code	Level	No. of credits	Credit hours	Contact hours
01	Apply occupational health and safety requirements	TOU-05-CM01-V4-24	III	04	40	20

Qualification Code: TOU-10L3-V2-24

COMPETENCY BASED ASSESSMENT

The final assessment of the National Competency-Based Programmes conducted by the Maldives National Skills Development Authority (MNSDA) is a competency-based assessment.

The Competency-Based Assessment ensures that the students' performance meets the requirements specified in the National Competency Standards (NCS). This assessment approach is designed to verify that graduates are job-ready and meet established occupational competency requirements within their respective fields.

Eligibility for Final Assessment

To be eligible for the final Competency-Based Assessment, students must fulfil the following conditions:

- achieve a **minimum of 80%** attendance
- deemed competent in each of the units of the programme in the pre-assessment

Competency-Based Assessment Process

Upon submission of the Pre-assessment report by the training provider, MNSDA will check for all the necessary supporting documents and conduct Competency-Based Assessment through a National Assessor registered with MNSDA. It is important to note that any trainer involved in the training process is **not permitted** to conduct the assessment to maintain impartiality and integrity of the process.

The final Competency-Based Assessment conducted by MNSDA includes both:

- **Theory:** Evaluating students' knowledge and understanding of key theoretical aspects of the competency.
- **Practical:** Assessing hands-on skills and application of knowledge in real-world or simulated environments.

Once the assessment is completed, the National Assessor will send the Competency-Based Assessment Report to MNSDA.

Competency Status Requirement

For certification to be granted, the student must be officially declared "**Competent**" in each of the units of the programme by the National Assessor.

Conclusion

Competency-Based Assessment is a critical component in ensuring the quality and credibility of technical and vocational skills-based training. By adhering to the outlined procedure, MNSDA upholds the standards required to certify students who are fully prepared to meet industry demands.
